The Council and members of the Institute of Chartered Accountants of Jamaica (ICAJ) join with family and friends in celebrating the lives of our outstanding former Council members who recently transitioned.

**Mr. L. Garth Kiddoe, FCA, MSc., MBA**, joined ICAJ in 1997 and contributed significantly to the development of the Institute. He served as ICAJ President from 2001 to 2003 and President of the Institute of Chartered Accountants of the Caribbean (ICAC) from 2005 to 2007. Garth Kiddoe gave distinguished service as a member of several ICAJ committees including Admissions, Continuing Professional Development, Future of the Profession, Public Sector, Taxation and Public Relations and Publications.

During his tenure as ICAJ President, Mr. Kiddoe committed himself towards building the global influence of the Institute. Under his leadership, efforts were directed at convincing the Government that legislation affecting the profession should obtain the Institute’s support before being tabled or promulgated.

Mr. Kiddoe was also a member of the Public Accountancy Board which he joined in 2000 and became Vice President in 2014. At the time of his passing, he was the Acting President of the Public Accountancy Board (PAB).

**Mr. Terence Jarrett, FCA, FCCA**, was one of the earlier members of ICAJ, who was admitted as a Member in Public Practice on November 8, 1973. Through his dedicated service as a longstanding Honorary Secretary, Mr. Jarrett contributed significantly to the Institute and the development of the local Accountancy profession. In addition to his role as Treasurer, he also gave faithful and distinguished service as a member of the Student Affairs and Audit Practice Committees. At the time of his passing he was a Member in Retirement.

**Mr. Carroll Thorburn, CD**, was a founding member of ICAJ who was admitted to the Membership as a Fellow in Public Practice on March 29, 1965. He and others at the time, felt that a united approach to the accounting profession was not only needed but desirable, especially in a newly independent and developing nation. This led to the drafting of the Constitution and first bye-laws of the Institute, as at January 18, 1965.

Carroll Thorburn played an active role in the efforts of the ICAJ which saw the Institute financing the first full-time accounting lecture-ship at the University of the West Indies (Mona), with similar assistance to the then College of Arts, Science and Technology (CAST) now UTECH. He was nominated to Council in June 1967 and served the Institute with distinction. At the time of his passing he was a Member in Retirement.

The ICAJ mourns the loss of our beloved members Garth, Terence and Carroll, who contributed significantly to the development of the local Accountancy profession over the years.

May their souls rest in peace and may the Light of Christ shine upon them perpetually.
